Property Description:

Takeyourpet Preferred Lodging

The Foothills Farm has been operating as a bed and breakfast for nearly 30 years.

In that time our clientele has been growing as we've added the Tompeca cottage and Brookside cabin to the accommodations we offer. Located in a still-unspoiled region of the Mt.

Washington Valley we offer all the amenities -- restaurants shopping attractions -- of the Valley without the crowds and traffic. Our property consists of 50 acres of forest farmland and brooks that pet owners and pets enjoy year around. There are hiking cross country and snow shoe trails right on our property and they are joined by hundreds of miles more on property that adjoins our land. Road and mountain biking are superb and we have marked trails for the latter. In winter snowmobilers enjoy the hundreds of miles of state-maintained trails that cross our property. In short if you enjoy outdoor activities in a peaceful quiet setting you will enjoy your stay with us. We offer a range of lodging options: Our bed and breakfast rooms start at \$78 nightly; our Tompeca Cottage can sleep four comfortably and up to six using the futon; our newest addition the Brookside Cabin is becoming a favorite because of its unique log construction and eclectic furnishings. It sits off by itself and can sleep 6 comfortably and 8 using a pull-out couch. Besides the outdoor activities mentioned there are many small antique shops in the area The Stone Mountain Arts Center which present top name entertainers two or three times weekly Foss Mountain which offers a great location to view raptor migrations in the spring and fall and the Brownfield Bog
